ARUBIAN NAMES

Well this is the funniest of them all
I've been studying this thing from since I small
Some people have names that don't even suit
And others have namens that are damm well cute
But if you want to laugh till your belly get pain
Take a closer look at our Arubian names.

.....We have....

Alivio Kock, Betto Kock, Arsenio Kock, Dennis Kock
Virgilio Kock, Alucio Kock, Dotchi Kock, and even Mai Kock.

And if we start with abbreviation
One letter and not the whole pronunciation
If your name is Geraldo we just put "G"
If your name is Pedro we just put "p"
By abbreviating the names of my lil island
You can have so much fun to beat the band.

.....We'll have.....

A.Kock, B.Kock, A.C.Kock, B.C.Kock
U.C.Kock, I.V.Kock and even M.T.Kock

And if perchance your name is Croes
You'll be among the kingpins of the roost
For if a Croes marries another Croes
The offspring is usually a double Croes
And here comes the sweetest part of the game
Explaining a foreigner our Arubian names

I.Croes, B.B.Croes, Fanfa Croes, Mario Croes
Milo Croes, Titichi Croes, Fichi Croes and of course Betico Croes

Well I leave the best one for the last
Consider an Arubian whosename is Ras
Some people say that the name have class
And it sound much better when you say it fast
But if you want to make a Jamaican laugh
Tell him we have Arubian who name is Ras

I.Ras, A.Ras, B.B.Ras, P.P.Ras
Smart Ras, Stupid Ras, Man Ras en even woman Ras
